👤 PROFILE

Front-end Developer

Recent bachelor's degree recipient with a background in web design and development. As a fresher i am working on personal blogging, writing content for the client on demand, as a Freelancer. Seeking reputed organization to implement my knowledge.

💼 WORK EXPERIENCE

Academic Projects:

Developed several projects during my academic tenure, showcasing my skills in frontend web development. These projects served as practical applications of my knowledge in HTML, CSS, and JavaScript.

Website Development Project:

Created a responsive website for a local nonprofit organization using HTML, CSS, and JavaScript. Implemented user-friendly interfaces and browser compatibility, resulting in an engaging user experience.

Personal Portfolio Project:

Designed and developed my personal portfolio website from scratch, showcasing my skills, projects, and achievements as a frontend web developer.

🎓 EDUCATION

B.E, Bachelor of Engineering | Information Technology | Mahant Bachittar Singh College Of Engineering And Technology, Jammu
August 2020 — August 2024

Currently pursuing a **B.E.** in **Information Technology**, I am driven by a strong curiosity and passion for exploring new technologies and innovations. My keen interest in constantly learning and adapting to the ever-evolving IT landscape has motivated me to choose this field. Eager to embrace challenges and contribute to the advancement of technology.

10+2, | Boys High Secondary School | Gandhi Nagar, Jammu, Jammu
April 2019 — May 2020

Motivated and dedicated individual with a remarkable **78%** score in **10+2** education. Exemplary commitment to academic excellence, diligent work ethic, and efficient time management.
